

A properly designed and installed *Water Well System* consists of several separate *systems* each made up of many different *components*, or *parts*. Each part is crucial and must work properly and in unison so that the entire system provides a clean, reliable and consistent source of water.

Shallow Well Jet Pump System & Tank System

Artesian Well Submersible Pump System & Mechanical Constant Pressure System

Artesian Well Submersible Pump System, Tank System & Water Treatment System

Artesian Well Submersible Pump System, VFD Drive System, Tank System & Water Filtration System

## THE PROBLEM:

Every Water Well System is made up of parts from different manufacturers. Even if installed by a professional, most manufacturers will only warranty their parts for up to one year from the date of installation.

The manufacturer will not cover the labor costs that it will take to fix or replace that part. This could cost hundreds or even thousands of dollars in repairs and replacement parts if you have a problem, even within the first few years!

## THE SOLUTION:

Well Water Connection, Inc. offers *Annual Service Plans* and *Lifetime Warranties* that include *Parts* AND *Labor*!
